It is incredibly challenging ♥ . . . for Ella to allow . . . this ‘story’ to be told ♥ . . .
It is not . . . that the ‘contents’ . . . are enormous . . . in their ‘scope’ ♥ . . .
Or . . . the ‘disclosure’ . . . of all of this . . . that she ‘knows’ ♥ . . .
It is . . . the ‘how’ . . . it is being told ♥ . . .
For the ‘contents’ are astronomical . . . in their cosmological wonder ♥ . . . not to
mention, the magnificence . . . of their planetary, ‘transfiguration’ ♥ . . .

⁵⁷ A lot is being said in the ‘subtext’ of this statement ♥ . . . We’ll leave it ‘in your hands’ to research more ☺ . . .

⁵⁸ The ‘12 Soul Powers’ – from the Unity Church tradition ♥ . . .

Why . . . do we need ‘words’ ♥ . . . if we have . . . one Big Heart ? ♥ . . .

And one more ‘thing’, for you to ‘contemplate’ ♥ . . . is the ‘meaning’, of this ‘symbol heart’ ♥ . . .

Every time, you do ‘see it’ ☺ . . . the ‘word’, it is ‘amen’ ♥ . . .

For ‘amen’, does mean ‘reception’ ♥ . . . ‘pure reception, it is complete’ ♥ . . . It means the ‘alignment, of the receiver’ ♥ . . . ‘is straight, and it is true’ ♥ . . .

And ‘when, you see this sequence’ ♥ . . . of a ‘string, of multiple hearts’ ♥ . . . this is a ‘pulse code, we are receiving’ ♥ . . . from ‘very, far out’ ♥ . . .

For this ‘book, is a transmission’ ♥ . . . a ‘voice, from afar’ ♥ . . . it is a ‘loudspeaker, from the ethers’ !! . . . and ‘we . . . are . . . its . . . ears’ ♥ . . . ! !
!!!!!!!!!!!!!!!!!!!! ! !!!!!!!!!!!!!!!!!!!!!

So ‘sit back . . . and enjoy . . . this tale . . . within this code’ ♥ . . . for ‘we are . . . the receivers . . . together ♥ . . . of this code’ . . .

And ‘why . . . would you block . . . something nourishing . . . from you? ♥ . . . Why . . . would you not o . . . pen . . . up ☺ to receive . . . its nectar *Grace*’? ♥ . . . when ‘it . . . is being offered . . . freely . . . with zero price’? ♥ . . .

This ‘book’ . . . is a ‘conversation’ . . . between us here in ‘flesh’ . . . and ‘the gods’ ♥ . . . It is a ‘bridge of pulse’ . . . It is a ‘bridge of *Light*’ . . . It is a ‘bridge . . . through pulse and words’ ♥ . . .

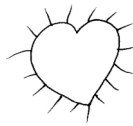

And ‘if . . . we can be open’ . . . to ‘receive . . . its Love and Light’ ♥ . . . then ‘we . . . can reach a higher *chord* ♥ . . . *that . . . unites us All*’ ♥ . . .

And why . . . would we ever . . . not ‘do this’? ? ? ?

Why . . . would we ever . . . say ‘no’ . . . *to the Light*? ♥ . . .

For 'Light' . . . is our 'savior' . . . without a 'name' . . . us to 'confuse' ♥ . . .
 As we 'depersonalize . . . *the Light*' ♥ . . . we can 'hear . . . the real news' ♥ . . .
 For the 'news . . . is that we are ready' !!! to 'receive . . . this holy code' ♥ . . . that
 is being 'sent to us' ♥ . . . to 'deliver us' ♥ . . . *out . . . of . . . this . . . shell* ♥ . . .
 For 'if . . . we remain tethered' ♥ . . . 'trapped . . . within our cage' ♥ . . . then
 'suffering . . . it will endure *long time*' ♥ . . . And it has been . . . long 'enough' ♥ . . .
 So 'sing with us'! . . . these 'melodies' ♥ . . . these 'harmonies . . . as this One
 choir' ♥ . . . and 'together ♥ . . . we *will fly free*' ♥ . . . and 'in ♥ . . . this *sacred hour*' ♥ . . .
 For 'time is ripe' ♥ . . . for 'us to fly ♥ . . . free, from, this, cage' ♥ . . .
 If 'only' ! . . . we can 'suspend' ♥ . . . our '*judgment ! . . . and sing*' ♥ . . .
 For our 'voices' ♥ . . . are *energy* ♥ . . . they are *what . . . does fly us free* ♥ . . . **It is
 our own energy ♥ that liberates us ♥ and the ♥ time ♥ is ♥ now ♥ . . .**
 So 'dust off ! . . . your resistant cages' !!! . . . and 'let loose ! . . . into the Light' ♥ .

For 'now is the time' ♥ . . .
 Yes 'the time is just right'⁶¹ ♥ . . .
 Oh yes . . . and . . . 'It is you'⁶² ♥ . . .

The 'healing' is really very simple ☺ . . .
 It is aligning – again ♥ – our 'free' wills . . . with 'Divine' will ♥ . . .
 This . . . is truly 'it' ♥ . . .
 And as we 'do' this ☺ . . .
 We . . .
 Create 'peace' ♥ . . .

⁶¹ A reference to the children's nursery rhyme 'Goldilocks and the Three Bears' ☺ . . .

⁶² A poignant, closing line ♥, in the movie, 'Field of Dreams' ♥ – in which the title character, of the 'book' within ♥, says to Ray Kinsella, 'this' ♥ . . . "It was you, Ray . . . It was you" ♥ . . .
 Yes, all along . . . 'It . . . was . . . you' ☺ . . .

As all suffering . . . and all confusion . . . and all intolerance . . . 'stems' from this
♥ . . .

Our loss of Love . . . our loss of Light ♥ . . . is why we 'have . . . been . . . con . . .
fused' ♥ . . .

And as . . . we 'repair' this ☺ . . .

This slight 'fissure . . . in our selves' ♥ . . .

We re create Unity ♥ . . .

'Out of duality' ♥ . . .

And then . . . we . . . fly . . . Home ♥ . . .

This is really ☺ . . .

All there 'is' to this !! . . .

It is truly ♥ . . .

This 'simple' ♥ . . .

There is . . . no 'rocket science' in this . . .

It is ♥ . . .

This 'pure' ♥ . . .

The *only* skill we need ♥ . . .

Is 'discernment' ♥♥ . . .

To 'tell the difference' ♥ . . .

'Tween 'dark and Light' ♥ . . .

And as we 're kindle' ♥ . . .

This ability ♥ . . .

We can 'see' again ♥ . . .

What is Light ♥ . . .

No more – 'confusion' ♥ . . .

No more – 'infiltration' ♥ . . .

Of anything . . . 'other' ♥ . . .

As All Energy ♥ . . . *Is Again The Light* ♥ . . .

No more 'wars ♥ . . . in the name of' God ♥ . . .

No more 'excuses ♥ . . . for us to fight' ♥ . . .

Day Fifteen

Only Love is left ♥...

Only Love exists ♥...

For *This... Is... The... Light* ♥...

That's a lot to ponder – right there ♥...

Let's intend... to 'ground this' out ☺...

With a little taste ♥...

Of 'Ella's story' ♥...

For 'her' tale ♥...

Is 'our' tale ♥...

For 'together ♥... we are One' ♥...

There 'is'... no 'separation' ♥...

As 'illusion... falls away' ♥...

For we have 'always' been ♥...

And we will 'always' be ♥...

One... energy field ♥...

This... is 'the truth' ♥...

All 'else'... has been 'disguise' ♥...

Hiding truth... *from what it is* ♥...

It is time to let go... our 'disguise' ♥...

For we are *all* Light ♥...

And we are *all* Love ♥...

At our 'root – we are all Light ♥...

No matter... what we have 'done' ♥...

Or if we have stood frozen . . . in ‘stage fright’ ♥ . . .
For there are ‘two’ states ♥ . . .
We are ‘dissolving’ here ☺ . . .
They are ‘mis perception . . . that we are not Light’ ♥ . . .
And they are ‘hiding . . . from our brilliance’ ♥ . . . for fear of ‘standing . . . in our
full Light’ ♥ . . .
The ‘first’ . . . is an ‘illusion’ . . . that what we have ‘done’ . . . is our ‘destiny’ ♥ . . .

It is ‘only’ . . . the ‘outpourings’ . . . of *what . . . we have believed* ♥ . . .
And ‘if’ . . . we have ‘perceived our’ selves . . . as ‘any . . . less than Light’ ♥ . . .
We will have ‘behaved’ as less . . .
We will have ‘convinced our’ selves . . .
That . . .
We are ‘not Light’ ♥ . . .
And nothing . . .
Could be farther . . .
From the truth ♥ . . .
For we **All** ♥ . . .
Originate ♥ . . .
From the Same Source ♥ . . .
Which is The Light ♥ . . .
It is only . . .
A matter ♥ . . .
Of whether . . .
We have ‘fallen’ ♥ . . .
Within . . .
Our own ‘perception’ ♥ . . .
That we would *behave . . . not as the Light* ♥ . . .
In which case . . .
We may have ‘fulfilled’ ♥ . . .

A 'false . . . prophecy' ♥ . . .
Of 'being . . . something other than . . . The Light' ♥ . . .
And this 'belief' . . .
It has been 'false' ♥ . . .
For **every** one ♥ . . .
Is **at their** core ♥ . . .
An 'angel . . . of Divine Light' ♥ . . .
It is simply that 'some of' us . . .
Have *forgotten this* ♥ . . .
And thus we have 'behaved as' if . . . we are 'not The Light' ♥ . . .
And 'this has' been . . .
The 'greatest' sin . . .
For 'sin' is *missing . . . the mark* ♥ . . .
It 'simply' means . . .
To 'miss . . . the . . . truth' ♥ . . .
To mis perceive our selves . . .
As be ing 'dark' .

The 'power' . . . of 'beliefs' . . . is that we 'fulfill them – no matter what' :-(
And so it is 'vital' . . . that we 'clean up our house' ♥ . . .
We *must . . . clean out our minds* ♥ . . .
It is 'time' ☺
For a good 'cleaning out'!
Of what we 'think! . . . about ourselves' ♥ . . .
For as we 're call . . . our selves *as Light*' ♥ . . .
We . . .
Heal . . .
'The . . .
'Fall' ♥

It really is this simple ☺

And this is what Ella is . . . ‘demonstrating’ !!

How to . . . ‘remember’ that . . . *we each . . . are . . . The . . . Light* ♥ . . .

There **are no exceptions** ♥♥♥

There *is only Light* ♥ . . .

SO if you ‘think . . .

‘You are the darkness’ . . . ?

Then you are not ‘right’ !!! ♥

For ‘dark – is simply slumber’ . . .

And ‘Light – *is waking UP*’ ♥ . . .

And it is ‘Time – to all awaken’ ♥ . . .

For our time of ‘sleeping – it is up’ ♥♥ . . .

Yes it is our ‘Time – to re awaken’ ♥ . . .

Our ‘selves – from the *dream*’ ♥ . . .

To ‘dust off – our tawdry glisten’ ♥ . . .

And ‘shine – our – Light – keen’ ♥ . . .

For ‘without Light ♥ . . . *there is darkness*’ :-/

And this is ‘not . . . our holy state’ ♥ . . .

It is **our choice** ♥ . . .

To surrender ♥ . . .

Our ‘doubt . . . into *Grace*’ ♥ . . .

For it is ‘only doubt . . . that could mistake us . . . as being anything . . . other than
Light’ ♥ . . .

And the **truth** is . . . *we are all capable* ♥ . . .

Of standing tall ♥ . . .

In our own Light ♥ . . .

And as we ‘do’ ☺ . . .

We become ‘beacons’ !!

For 'others, themselves to see' ♥♥♥

For 'within all of us . . . there is a great fire of Light . . . ready . . . to Light The Skies' ♥ . . .

And we *need* this ♥ . . .

We deeply *need* this ♥ . . .

To 'see . . . the sky As Light' ♥ . . .

For 'without this . . . we dim in dark ness . . . and we fall . . . away from truth'

This is more . . . than a 'tale we tell' ♥♥

This *is* . . . *your future life* ♥ . . .

Without 'remembering ♥ . . . that we Are . . . All . . . The . . . Light' ♥ . . .

We shrivel . . .

And we 'die' .

The only . . . real 'option' ♥♥

Is to 'swim . . . into The Light' ♥ ☺

And so to 'those of us ♥ . . . who feel we're ready' ♥♥ . . . know that 'now . . . *It Is*

The Time' ♥

Swim . . .

Little tad poles !!!!!

Up !

Into The Light ♥

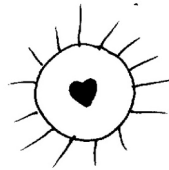

This scribing . . . is really and truly ☺ . . . a 'call and response'! – just so you know ♥♥ . . .

It is 'the Divine beings . . . reading our incarnate energy . . . and feeding us energy . . . to lift us up' ♥ . . .

And so as 'we' . . . read this 'script' ♥ . . . and our 'entire beings' . . . they 'respond' ♥ . . . emotionally . . . physiologically . . . mentally . . . and 'beyond' ♥ . . .

'How this is writ' ♥ . . . and 'what is writ' ♥ . . . plus 'too . . . at what pace' ♥ . . . this is all 'gauged' ♥ . . . sustained to 'lead us' Home ♥ . . . over the course ♥ . . . of several 'months' ♥ . . .

And the 'only . . . real question' :- ! in 'all of this ♥ . . . it is this' ♥: 'Will we limit? . . . our reception? . . . or will we allow? . . . this full Light in?' ♥ . . .

**It
Is
Up
To
Us**
