

She found 'a job' ♥♥ . . . at a book store ☺ . . . as she 'needed . . . to be alone' ♥♥♥
And yet . . . naught . . . a . . . lone ♥♥♥

.....

It was a friend of hers . . . who found it for her ♥♥ . . . He was is a 'photographer . . . of eastern children' !! . . . And he 'put in . . . a good word' . . . for . . . her ♥♥

: : : :

And so . . . she began working . . . at . . . 'Adora Books' ♥♥♥♥

.....

There . . . she could 'roam the aisles' ♥♥ . . . methodically . . . placing . . . books . . . in their places. . . and occasionally . . . responding . . . to a customer's . . . question ♥♥

This was naught ♥♥ . . . your 'usual' store ♥♥♥♥ . . . for it sold 'books . . . by many authors . . . *who are all out of !! . . . the box*' ! ♥♥

: : : :

Mystic poets ♥♥ . . . and permaculture ♥♥ . . . psychedelics !! . . . and esoterics ♥♥ . . . quantum physics !! . . . and too 'mechanics' :-) . . . you name it ! . . . they sell it all ♥♥

And so 'she' . . . was 'in' . . . an 'environment' . . . that was is 'conducive' ♥♥♥ . . . for many 'pee pull . . . *who are seer ching*' ! :-) !!

Oh yes of course :-) . . . they 'do' sell . . . 'the I Ching' ♥♥ . . . the 'Urantia Book' . . . and 'A Course in Miracles' ♥♥♥♥

: : : :

Plus 'all of these books' . . . that were are written by . . . *Rinpoches* :-)

'Who are these . . . *Rinpoches* ???????????

When 'quite literally !!!!! ... a book !! ☺ ... *fell off the shelf !! ... right in front of her*' :-) !!! ♥

: : : : : : : : : : : : : : : : : :

Naught only ♥♥ ... did it 'fall off' !:-) ... *it opened itself ... to a chapter* ! - ♥

And the 'heading' ♥♥ ... of 'this chapter' !!-) ... was is 'about ... *Vision Quests*' ♥♥

It said ...

'It is naught ... the *going out* ♥♥ ... that is ... *the greatest challenge*

'It is the *coming back ... into society ... bearing the gifts ... one has acquired* ♥

'*And integrating ... one self* ♥♥ ... *sufficiently* ♥♥ ... *to share ... them* ♥♥

'*This*' ♥♥ ... is the greatest 'challenge' ♥♥ ... of being '*called OUT* ♥♥ ... *on a Vision Quest*' ♥♥
