The 'challenge' is . . .
       'How to wake up . . . sequentially . . . without evoking . . . any fear . . . all of the
PLAYERS...AND GET THEM HOHM ♥ ♥ ... before they run out ... of ... 'air' ♥♥♥
                 And so how it works, essentially, is 'this' ♥♥
      The 'Design Team . . . Dispatches' ♥♥
      They 'send out . . . signals' ♥♥♥
      What we might call INTUITIVE ☺
       'Signals' . . .
      These . . . can and do include ©

      They 'send these . . . to the ones they choose . . . which means the ones . . . most
aligned ♥♥ . . . as if they are casting parts . . . within a play ♥ ♥ . . . and they are choosing
ACTORS...TO PLAY PARTS' ♥♥
    And then they . . . 'wait' . . . : - (
      To see 'if' . . .
      The 'actors . . . pick up the phone' !!!!
      If the 'people . . . they have sent energetic impulses . . . to \P . . . \P

      And if there is . . . too much 'lag time' : - (
      From the instant of 'sending . . . to its receipt' : ♥ (
      Or if . . . the person 'gets its'! ⊚ ♥♥!!!!
       And yet they . . . 'decide . . . to naught act'! ((
